

St. Pat's SPOTLIGHT

MAY 4, 2017

The Pre-K class walked to the Portsmouth Public Library to see our puzzle pieces on display. They are being sent to NYC to be combined with pieces from around the world.

Mrs. Hersey is back from her maternity leave! The kindergarten class is happy to have her back. We would like to thank Mrs. Pepper for being an excellent teacher while she was out.

Last month, we had the first ever "Ultimate Sleepover" at St. Pat's. We started out the night with a pizza and dance party downstairs. We then went to the second floor where an obstacle course was set up. Students cheered each other on as they each tried to get the best time! Following the obstacle course, we offered different movies in the classrooms. After dancing and completing the obstacle course, the kids were ready to crash and watch a movie. Parents picked up right after breakfast! Rumor has it we may have started a tradition.....we shall see.
