

St. Pat's SPOTLIGHT

JANUARY 20, 2017

Above: The grand unveiling of the renderings of St. Patrick Academy were shown to the community on Monday evening. The room was packed with school families, prospective families, parishioners, and community members. Oak Point Associates walked through the interior and exterior designs as well as the property layout. Jim Broom, president of Hope for Tomorrow Foundation, introduced a two year tuition freeze at the current non-supported rate for all families registering for next year. Thank you to our students who came out to greet our guests! There is a second meeting tonight at Community Campus at 6:30.

Above: Fifth graders, Lucy and Morgan, are experimenting with what it was like to write in colonial times with a quill pen.

Left: At this past weekend's *U Go Bro Attitash Race Series*, Sammy Scott of Saint Pat's won the silver medal with a time of 43.26 seconds shaving off almost 3 seconds from his first run! We cannot wait to see what Sammy clocks as the season progresses! Congrats, Sammy!
