## SUMMER UPDATES

Ms. Driscoll is looking forward to a low-key summer of babysitting, tutoring, and spending time with her niece, Olivia, and nephew, Finn, at the Cape. She also is planning time to go four wheeling, hiking the 4,000 footers, and camping at her tiny house. Ms. Driscoll hopes to complete her doctoral dissertation this summer and is studying doctoral student retention. She completed all her doctoral courses at Regis College and is at the rewrite stage of her dissertation.

Cameron and Matthew, 1st graders, are showing their new trophies from their Dover baseball team, Instructional League! They also went to a Red Sox game!

Welcome to fifth grader, Caz! Here's a picture of Caz enjoying one of the first days of summer vacation at the beach with his sister.

Welcome to Joey, 2nd grade, and Eddie, Pre-K! They are excited to move to Portsmouth this summer and start at SPA! They have lived and gone to school in Ljubljana, Slovenia for the past three years, and in Sarajevo, Bosnia & Herzegovina for three years before that while their parents worked at the American Embassy in both countries. They both love hiking, swimming, and being out in nature and are super excited for a real Halloween with trick-or-treating in the U.S. They cannot wait to meet new friends this fall!
