## SUMMER HIGHLIGHTS

Below: Bryana, a first grader, and Wyatt, a new preschooler, enjoyed an extended family vacation at Long Lake in Bridgton, Maine! They had lots of fun swimming, boat riding, and enjoying family time together!

Ella, a new pre-K student, and Carly, a new kindergartener, spent three fun weeks in Southampton, NY with their grandmother and a few days at the Cape with their other grandparents. Welcome, Ella & Carly!

Anna, a new fifth grader, and her sister, Julia, spent time in Kentucky this summer visiting their grandparents. They enjoyed riding horses, swimming, and driving their grandmother's golf cart around the farm.

Mrs. Frazier, our second grade teacher, has enjoyed family visits from her sister from England and her step-daughter, Teresa, and grandchildren from California. She especially enjoyed meeting nine month old Scarlett Rose for the first time. Mrs. Frazier also spends a lot of time getting smoothies from her daughter and alumni, Grace, who has been working at Fresh Press, in York Beach.
