

The Academy Spotlight

SEPTEMBER 14TH, 2018

Fr. Gary Belliveau joined us on Monday, September 10th to celebrate our first all school Mass. Left: 8th graders, Nicholas and Max, were our altar servers.

Two of our new 6th graders, Matias and Aaron, are wearing the new soccer uniform shirts donated by Nike. Thank you to our Athletic Director, Rick Bean, for his efforts in acquiring new uniforms.

We love when our alumni come back to visit! Jared '15 is in his senior year at PHS and has requested to spend his Service Learning Opportunity volunteering at SPA. Jared has been helping out in the lower school and at recess four afternoons a week. Last year, Jared was a huge help packing and moving us to the new school and we are so happy to have him back.

Last Friday, we had our first all school assembly and kicked off the Virtue of the Month, affability. Fr. Bill Brown, joined us for the assembly and led a discussion about affability referring to the movie, Wonder. We also had a representative from each class speak about what they had learned, noticed, were grateful for, and wanted to pray for this week.

Aidan '15 stopped by to surprise one of his favorite teachers, Mrs. Dwyer! Aidan is in his senior year at Presentation of Mary and applying to colleges. We love when our alumni return to visit!
