

The Academy SPOTLIGHT

NOVEMBER 3RD, 2017

Students dressed up for our annual Halloween parade. This was the last parade out the doors of the Austin Street building! Classes marched up Summer Street to Islington Street then Cabot Street and back onto Austin. They enjoyed the beeps and waves of cars passing by.

Trunk or Treat was a fun night as usual! Families decorated the trunks of their vehicles and handed out candy. The 8th graders sold chili, goulash, and other goodies. They also offered face painting for the younger children. Thanks to all who came out for the event!

The Rising of the Moon Auction & Raffle took place on Friday, October 27th. The evening was held at Community Campus this year and included a prize wheel, games, a raffle, silent and live auction component. Parents, alumni, and community members were all in attendance. Above left to right: Jim Broom, Fr. Bill, Kevin Frazier, and guest speaker/NBA player, Paul Grant pose for a picture. Mr. Schwerdt and Fr. Schultz sang a few Irish songs including *Rising of the Moon*. Parents, Mr. & Mrs. Koerschner, shop through the silent auction.
