

The Academy SPOTLIGHT

MAY 18TH, 2018

We celebrated the ribbon cutting and Grand Opening of Saint Patrick Academy on Sunday, May 13th with over 450 guests in attendance. This date was exactly one year from our date of the ground breaking last year and was also the feast day of Our Lady of Fatima. His Excellency Peter Libasci did the honor of revealing and blessing Our Lady Seat of Wisdom statue. He then blessed the front of the school and cut the ribbon. Guests were invited to walk through the building and enjoy food from Tuscan Kitchen. It was a beautiful afternoon!

The second graders dressed in their First Communion attire for the Crowning of Mary on Friday. 2nd graders, Tiffanie Groth and Canaan Callahan carried the crown of flowers to 8th grader, Annie McFarland, who crowned our Blessed Mother.
