25% of students received tuition support/financial aid.

45 new Chromebooks and **46** new iPads deployed.

372 participants in Fall, Winter, & Spring Athletics.

20 students graduated to **5** different High Schools.

Saint Sebastian Hall
Opened September 2021

Dear Saint Patrick Academy Community,

The 2020-2021 school year was unlike any other. In June of 2020, the School made the bold announcement that we would be returning to campus for in-person instruction in September to better serve our students and their needs. After a summer of planning and preparation, the faculty and staff welcomed students back to campus that fall. While some protocols had changed, the essence of what made our School special was fully present and alive—namely, we were together for a year of learning, joy, and growth in the presence of Christ.

In addition to pivoting to a number of alternative activities, such as a virtual Back to School night and hosting intramurals rather than interscholastic athletics, Saint Patrick Academy stood apart in its ability to ensure that each child was known, loved, and served on a daily basis. While adjusting to the new normal of life during a pandemic, the School also embarked on an ambitious capital campaign, the Mind Body Spirit Campaign, in order to raise funds to construct a new, 17,000 square foot multipurpose space, aptly named Saint Sebastian Hall.

Throughout a year of construction and adjustment, the School also successfully hosted an accreditation visit from our accrediting agency and celebrated its entire year of uninterrupted, in-person instruction.

Our community supported the School throughout this entire time and truly helped create an Education that is Fully Alive. As each day brought new challenges and opportunities, it was a year that truly aligned with our annual theme of Nunc Coepi, which translates to “Now, I begin.” We began each day anew and focused on growing in His love.

While the year was one of many successes, it is clear that the best is yet to come!

James Melone, Ed.D.
Head of School

Thank you

It is through the generosity and devotion of time and spirit of our community, donors, and staff that we are able to deliver Saint Patrick Academy's Heroic Mission. Thank you.

Our Heroic Mission

Anchored on the truths of the Catholic Faith, Saint Patrick Academy's mission sets us apart. At Saint Patrick Academy, children come to see that they are made in the image and likeness of a God who LOVES them. This LOVE, which resides at the center of our curriculum, then becomes the source of our students' confidence, trust, and joy. It shapes their souls and frees them to live a joyful life; the life that God intended.

The lofty goal of our independent school's program is to inspire children to be fully alive and to equip them with a supernatural vision and a Christian worldview so that they can live as witnesses to the Gospel.
