Dear Saint Patrick Academy Community,

The 2023-2024 school year was a tremendous year for our School. With record high enrollment, we graduated our largest class in the history of Saint Patrick Academy and celebrated a truly wonderful 8th grade class!

Our community fully adopted the annual theme of *Learn. Serve. Lead.* and espoused that call to action throughout the year. From the youngest to the oldest, our students spent the year growing and learning in all subject areas. Reading scores showed that almost 85% of our students read at or above grade-level, which highlights the success of our early reading intervention approach. Service remained a top focus of our programming, as each grade level developed a direct relationship with a community service site. Additionally, a group of 8th graders served an under-resourced community in Manchester on a three-day service trip. The entire 8th grade class traveled to Washington, D.C. as part of their 8th grade American history curriculum, and our third graders researched and presented on the Eucharistic Miracles to complete their study of

the Sacraments. Both our boys and girls basketball teams won their respective league championships, and our Middle School students put on an incredible musical performance of *Sponge Bob, the Musical* in the spring. From learning to service to leadership, our students achieved great things and constantly worked to become the best version of themselves.

The success of this year was made possible by parents, families, and benefactors who supported and trusted our incredibly dedicated and talented faculty and staff. With your prayers and support, Catholic education continues to thrive in the Seacoast.

OUR HEROIC MISSION

Education at Saint Patrick Academy is truly *Fully Alive*.

Guided by our core values of leadership, integrity, and humility, we seek to form students inspired by God's love. As an independent Catholic school, we offer a holistic approach to education that emphasizes the academic, social, emotional, spiritual, and physical development of each child. Through our program, our students are equipped with the skills to serve as ambassadors of the Faith, leaders within the community, and role models for younger generations.

**Saint Patrick Academy is education fully alive:
Excellence in pursuit of faith, academics, leadership, and virtue.**

Thank you

It is through the generosity and devotion of time and spirit of our community, donors, and staff that we are able to deliver Saint Patrick Academy's Heroic Mission.
